

SHAVING CREAM SENSORY PLAY

WHY SHOULD MY CHILD DO THIS ACTIVITY:

This activity is beneficial in regards to many skills children are constantly developing. This includes practicing fine motor skills by tracing letters, shapes, numbers, and more, in the shaving cream (or another similar material). Additionally, children can engage in sensory play through this activity.

HOW TO PREPARE THIS ACTIVITY:

Replicating this activity at home can be very simple and does not cost much. Many of the materials can be purchased at your local dollar store. The materials can also be replaced with whatever you may want to get in order to assist your child in developing various skills.

USEFUL RESOURCES

1. Step by step shaving cream activity:
