AUGUST 27

Hello Pre-School Families and Kiddos!
Time truly does fly while you are having fun! The pre-school room welcomes in the month of August. We are bringing in a fun twist to our curriculum as many of our activities are centered around various Disney movies. We are excited to have our Owls make connections between topics in STEM, art, reading and more, to their favorite movies! We will continue developing what we have previously learned about as well as practicing our writing skills and letter recognition.

IMPORTANT NEWS!

We will continue spending as much time as we can outside. We ask that your Owl continues coming to school wearing closed toe shoes and sunscreen! Additionally, please remember to bring your Owl's **labeled** water bottle daily. Thank you!
