FEBRUARY 6

Hello Pre-School Families and Kiddos!

We are saying goodbye to January and welcoming the month of February. We are excited to have our Owls make connections between topics in STEM, art, reading and more, as we explore the theme of Valentine's Day. Additionally, February is National Children's Dental Health Month. We will be incorporating lessons on the importance of our dental health. We will expand on previously learned about information, as well as grow our writing skills, number knowledge, and letter recognition.

IMPORTANT NEWS!

Please remember to bring in any Valentine's goodies by Wednesday, February 10 so that we may send them home with our T/TH kiddos! Thank you in advance and Happy Valentine's Day!

REMINDER!

We will continue spending as much time as we can outside. We ask that your Owl comes to school wearing proper winter attire. We will send snow pants home at the end of every week. Please feel free to let us know if you need your Owl's pants taken home on a different day.

Additionally, please remember to bring your Owl's **labeled** water bottle daily. Thank you!

TEACHER UPDATE!

Ms. Natalie will be leaving The Little Nest come March as she begins student teaching and prepares to graduate in June. Her final day in the preschool room will be Friday, March 5. We will miss her greatly and wish her luck in her future endeavors!

WELCOME!

A warm welcome to Abigail and Lazarus who have transitioned into the preschool room. The preschool teachers are kiddos thrilled to get to know our new friends and help them flourish!

CONNECTING SCHOOL AND HOME

We kindly ask to continue integrating many of the skills we learn at school, at home with your Owls! Our main priorities have been:

- practicing the correct way of holding writing utensils
- tracing your name
- identifying shapes
- naming colors
- identifying numbers 1-20 (counting)
- going over the alphabet, as well as recognizing upper and lower case letters

This month, we will be covering the letters O, P, Q, and R. We will continue sending out weekly notes with our letter of the week, as well as the sight words we will be covering. Please feel free to reach out with any questions, or if you would like any resources for the skills our Owl's are developing.
